# alzheimer's disease: current care perspectives 2013

Friday, May 3, 2013 | 7:30 a.m. – 5 p.m.

This annual education conference is designed to fit the needs of families caring for a loved one with Alzheimer's disease or related dementia. It is also for professionals who would like to learn more about Alzheimer's disease, the challenges and hope for the future.

## Our Mission:

To eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health.
